The White Stones

1 Your name is Chris Ellison and you are from London in England. You are on a ferry. The ferry is going to the island of Skaran in Ireland. You are sitting next to a woman. She smiles.

'Are you on holiday?' she asks.

'No,' you say. 'I'm an archaeologist. I want to study the megalithic stones on Skaran. The stones are very interesting. They're very old. But we don't know much about them.'

The woman stops smiling. 'The people on the island don't like archaeologists,' she says.

■*Go to 11*.

2 You walk to the stones. There are nine big stones and one small stone. Two of the stones are very big and have another stone on top.

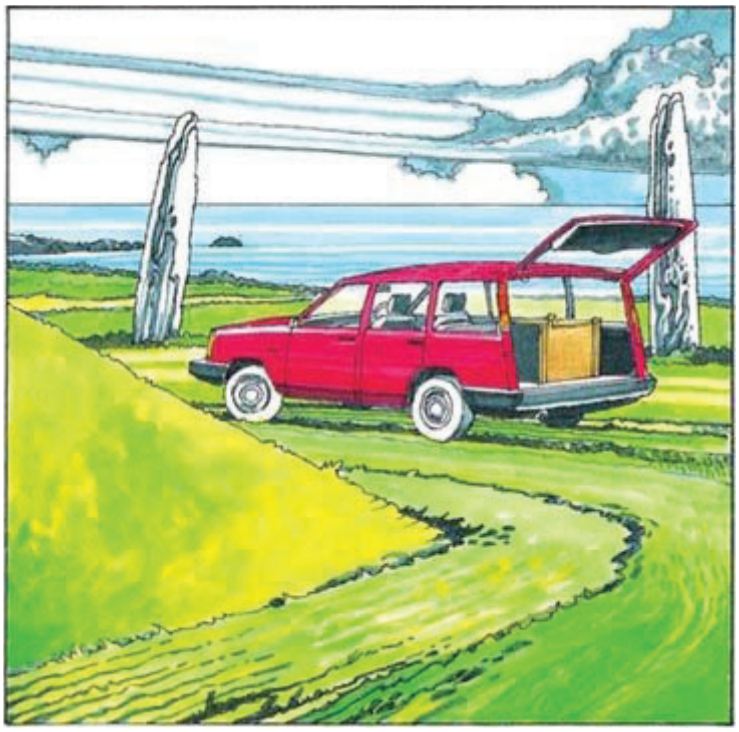

You look at the small stone. It is red on top.

■*Go to 34*.

3 You try to hit the man but the man hits you first.
■*Go to 24.*

4 You walk around the hill. You see a red car behind the hill. There are some boxes in the car.
■*You go to the old house. Go to 18.*

5 You see that the liquid is coming out of a hole under the car.

■*You phone a garage. Go to 32.*

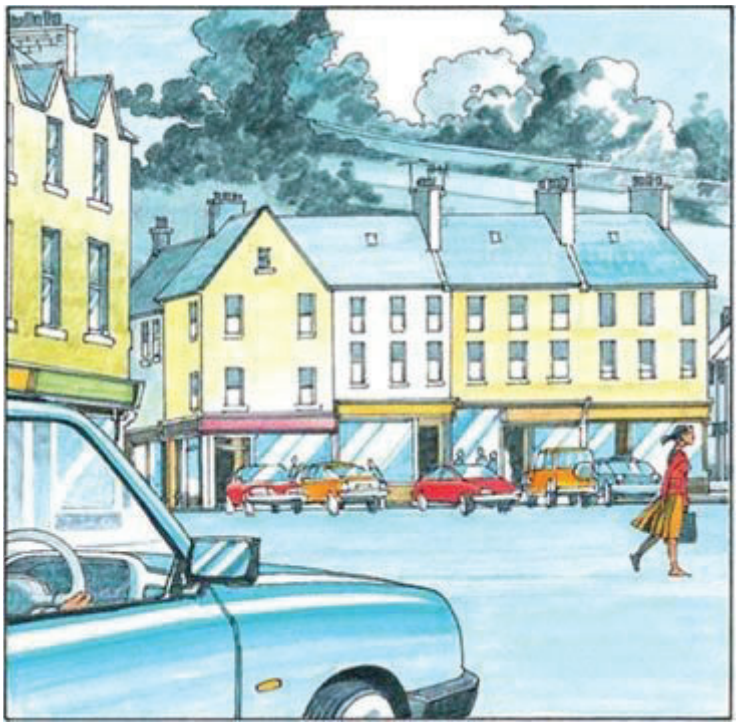

■*You drive the car to your home. Go to 19.*

6 You get in your car. You look at more megalithic stones and tombs in the north of the island. They are beautiful in the evening. There are always tombs near the megalithic stones. It is late when you arrive home.

The next day you go to the town of Langrun. You go to some shops and buy some things. What do you do next?

■*You go home. Go to 16.*

■*You go to the Stones of Clayonag. Go to 20.*

7 You drive slowly down the hill. Ten minutes later you look behind you. You cannot see the red car.

You go past a village. Then you go down a hill to Clayonag. You see a lot of megalithic stones near the sea. It is very beautiful. You stop your car and get out.

■*Go to 34.*

8 You go to the village and you ask some people about the megalithic stones. Nobody wants to talk about them.

■*You go home. Go to 28.*

■*You go back to Clayonag. Go to 34.*

9 You look through the door of the tomb. At the back of the tomb there is a stone table. The sun is shining on the table.

■*Go to 27.*

10 You go to the village and find a policeman. You tell him about the things that are happening to you.

He says, 'People in the village don't like archaeologists because they take our treasures. Perhaps you need to go home to London.'

■*You go to the old house. Go to 16.*

■*You look at more stones on the island. Go to 6.*

11 Half an hour later, the ferry stops at the island.

You get in your car and drive off the ferry. You drive the car down a small road. In front of you, there are some trees next to the road. One of the trees begins to move. You stop your car quickly. The tree falls in front of your car.

You get out of your car.

'Is there somebody behind the trees?' you ask. What do you do?

■*You go to the trees and look for somebody. Go to 23.*

■*You move the tree from the road. Go to 33.*

12 You drive very fast but the road is not very good.

Your car leaves the road. Then everything goes black.

■*Go to 24.*

13 You go into the tomb. You see some pictures of knives on the wall. You hear a noise. Everything goes dark. You go to the door. You cannot open it.

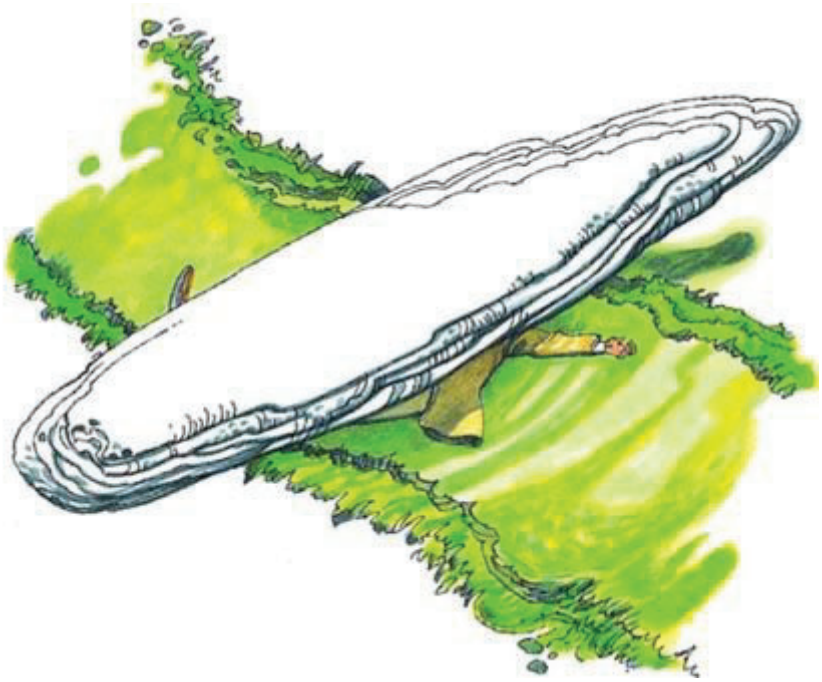

'Open the door!' you shout, but nobody comes.

You are afraid. You wait for a very long time but nobody comes.

■*You go to the back of the tomb. Go to 17.*

■*You stay near the door. Go to 26.*

14 The American woman walks nearer to you.

Suddenly a megalithic stone begins to move. The stone is behind the woman. She does not see that the stone is moving.

'Look!' you say. 'The stone is falling!'

She smiles. 'I'm not stupid, you know,' she says.

She does not look behind her. The megalithic stone makes a lot of noise. It falls on the woman.

You see the man with the long black hair. He is coming down the road.

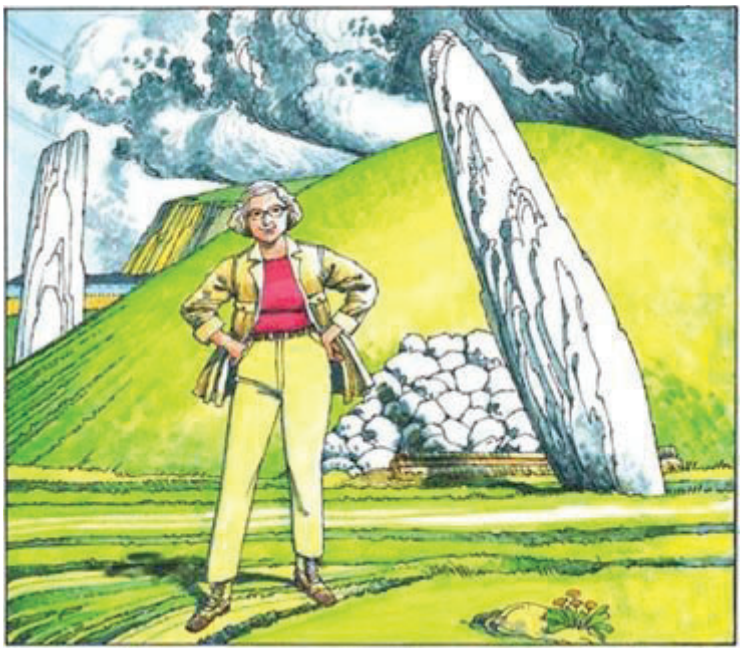

When he sees the woman under the stone, he runs away.
■*Go to 29.*

15 You drive to your house and get out of your car.

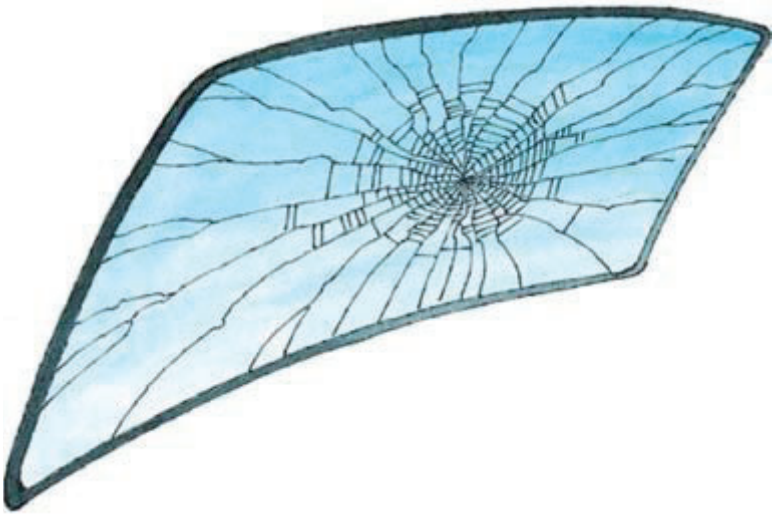

The American woman is standing near your house. She is smiling.

'Would you like to go to the Stones of Clayonag tomorrow?' she asks. 'I can't go with you but it's an interesting and important day. It's June 21. It's the longest day of the year. A lot of people go to Clayonag every year. You must go there early in the morning.'

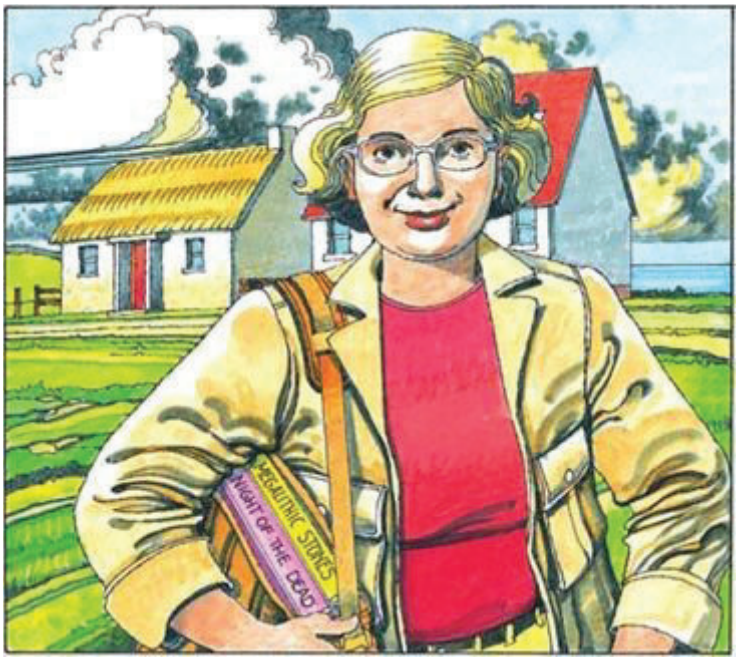

'Thank you,' you say. You go into your house.
■*Go to 21.*

16 You drive home. When you are near your house, a big stone hits the windscreen of your car. You stop quickly. You get out. Behind you there is a tall man with long black hair. He is running towards you.
■*You run away. Go to 31.*
■*You hit the man. Go to 3.*

17 You go to the back of the tomb. There is a stone table there. Near the table is a big stone. You take the stone and you go back to the door. You hit the door with the stone. You break the door and you get out of the tomb. ■*Go to 28.*

18 When you are near the old house, you meet a woman with blond hair. 'Hello,' she says. 'Are you staying at the old house?'

'Yes,' you say. 'I'm renting it for six weeks.'

'My name's Sarah. I'm staying at the new house,' she says. 'I'm on

holiday here. I'm from Los Angeles in America. Are you on holiday?'

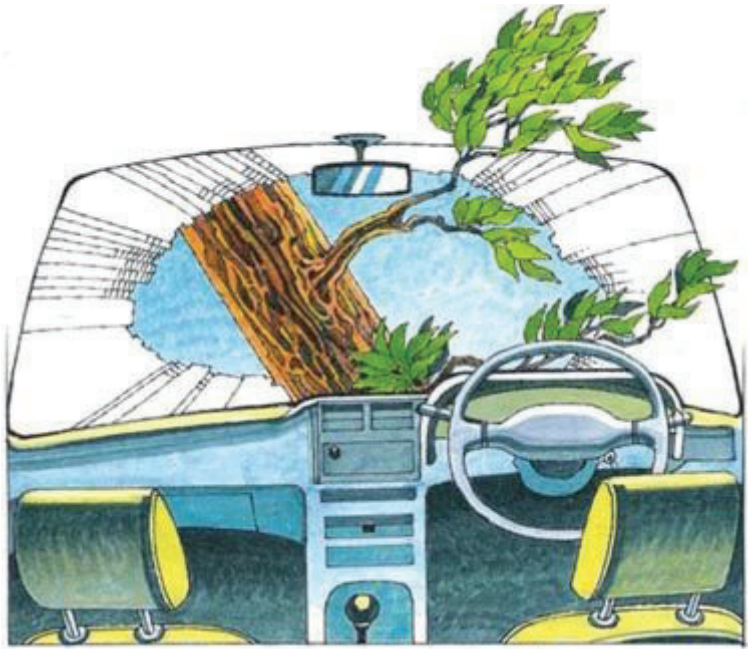

'No,' you say, 'I'm an archaeologist. I want to study the megalithic stones on the island.'

'How interesting! I don't know anything about those things,' she says.

■*You go to the old house. Go to 30.*

19 You drive the car. When you are going down a hill, you cannot stop the car. Your car hits a tree.

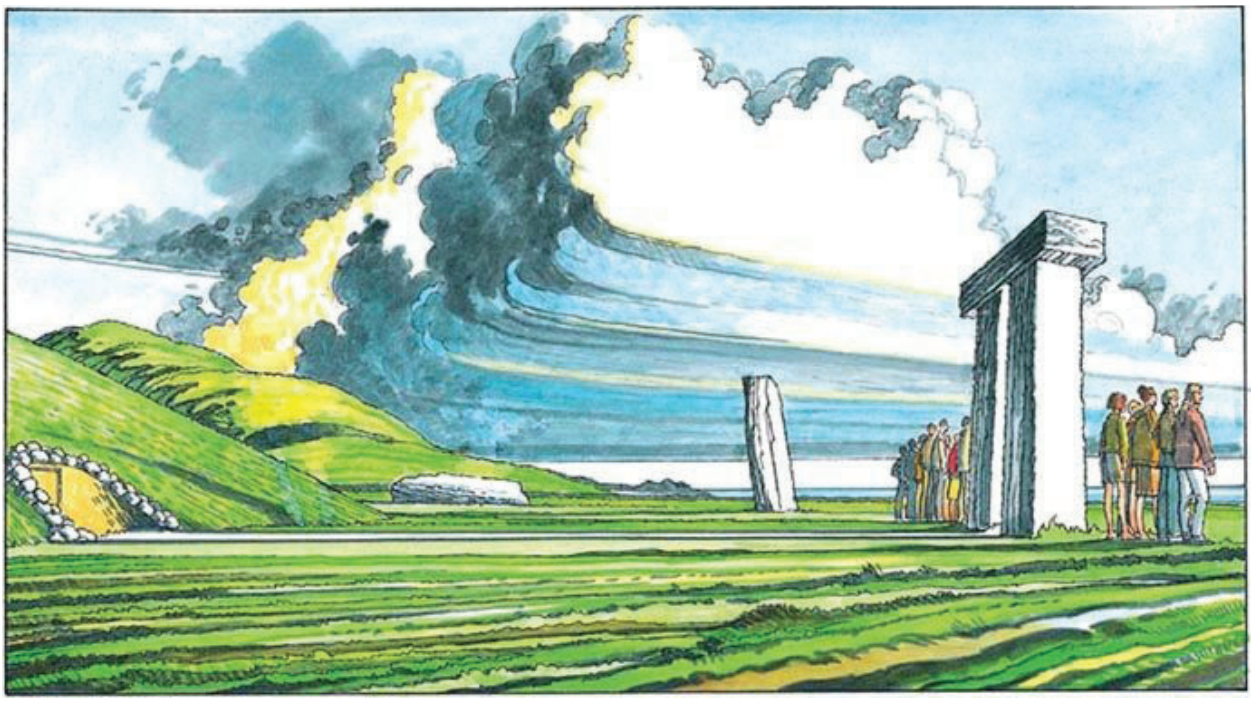

■*Go to 24.*

20 You go to the Stones of Clayonag. You look at the stones and wait but nothing happens. You go home late.

For the next two weeks you go around the island and look at the megalithic stones. Nothing more happens to you. You do not find the answer to the mystery.

■*Go to 1 and try again.*

21 The next day you get up very early. You drive to the Stones of Clayonag. When you arrive, you see a lot of cars. You get out of your car and walk to the tomb. There are a lot of people near the tomb. They are looking at the sun, and waiting.

Slowly the sun comes up. The sun shines between the two big stones. It shines into the door of the tomb. When this happens, the people begin to sing.

■*You look through the door of the tomb. Go to 9.*

■*You do not look through the door. Go to 27.*

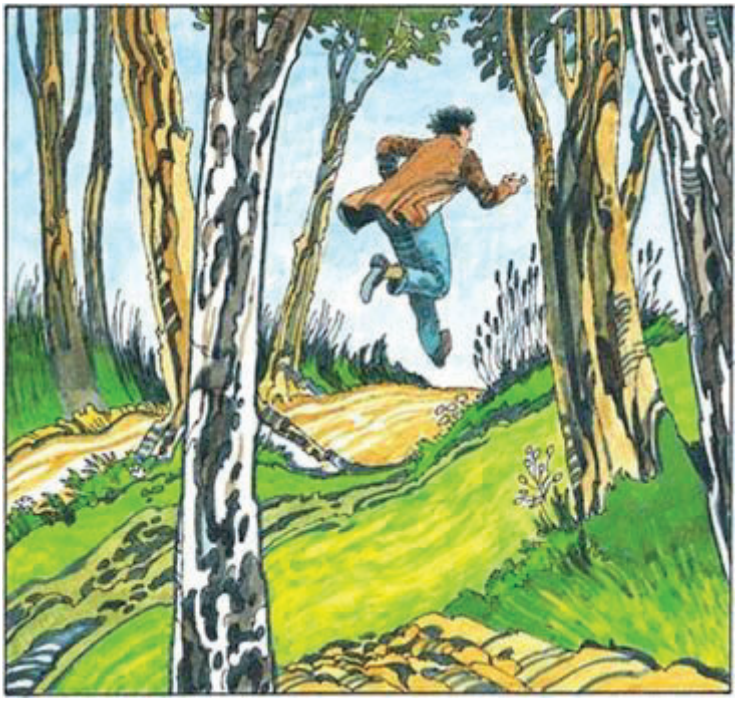

22 You go to the sea. It is beautiful but you do not see any people or megalithic stones.

You go back to the tomb. You think you see a man. He is behind one of the megalithic stones.

■*Go to 34.*

23 You run into the trees. You see a tall man with long black hair. He runs away. You go back to your car.

■*Go to 33.*

24 When you open your eyes, you are in a bed in a white room. A woman is looking at you. 'Hello,'she says. 'I'm Doctor O'Connor. Everything is all right. You're in hospital.'

A week later you leave the hospital. You do not know the answer to the mystery.

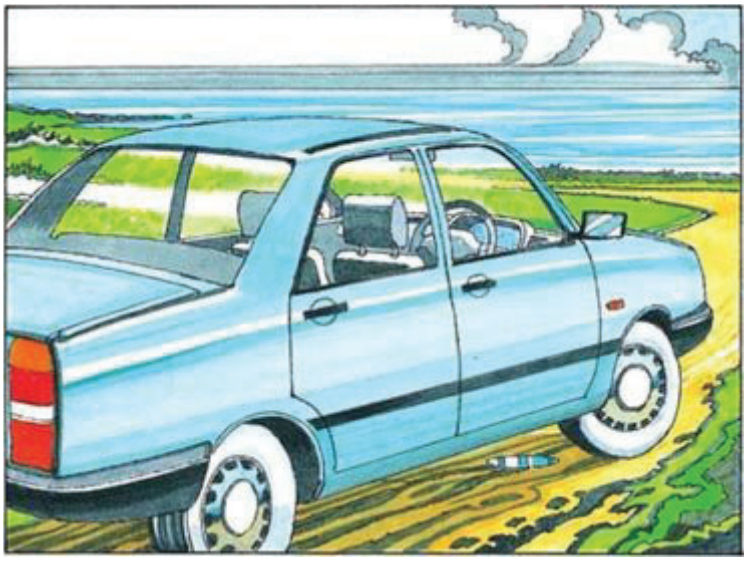

■*Go back to 1 and start again!*

25 You stop your car. You look behind you. The red car stops too.
■*Go to 7.*

26 You stay next to the door. Four hours later the door opens. You go out of the tomb. It is dark. There is nobody near the tomb. You think you see a man. He is running towards the road.
■*You get in your car and drive home. Go to 15.*

27 An hour later everybody gets in their cars and leaves Clayonag. You go to your car. There is some liquid on the road under the car.
■*You look under the car. Go to 5.*
■*You drive the car to your home. Go to 19.*
■*You phone a garage. Go to 32.*

28 You go home. When you are near the old house, you see a red car. There is a man near the car. He is tall with long black hair. He is with the old American woman. When he sees you, he gets into his car. He drives away.
■*Go to 15.*

29 You phone the police. They arrive ten minutes later. The police look at the stone. 'After all these years, why does the stone fall now?' says a policeman.

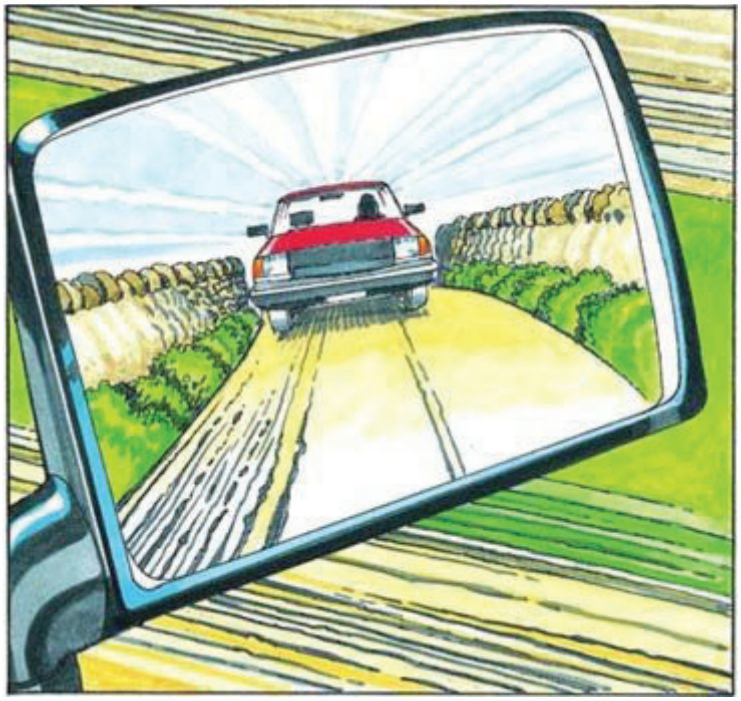

'It's a mystery,' you say.

The police move the stone and take the woman to hospital. The police

arrest the man with the long hair and the woman from the ferry.

Thanks to you the treasures of the island are now safe and the archaeologists can study the old tombs.

30 You go to the old house. There is some writing on the door of the house. It says, 'Go back to London, Ellison! We don't want you on our island.'

The next day you drive to Clayonag in the north of the island. There are a lot of megalithic stones in Clayonag. You drive up a small road. The road is bad. You look behind you and you see a red car. You drive fast. The red car goes fast. You go down a hill.
